ANNOUNCEMENTS

[Getting Technology Accounts Created for New Faculty/Staff](#)

It appears that not all of our new faculty/staff have had their technology accounts created yet. This includes Outlook, Blackboard, TigerTracks, Lotus Notes, etc. In order for those accounts to be created, two things need to happen.

First, we need the new faculty/staff member to turn in a new employee data form. This form is available at <http://www.fhsu.edu/Technology/data-form-pdf/>. The second thing that we need is a request from the department. Typically, this request comes from the department's administrative assistant or the department chair. The request should be sent via Lotus Notes in the CTC Request for Services form. Please submit the request to the Network & Servers area of the request form.

If you have questions or need assistance with getting the request submitted, please contact Mark Griffin (magriffin2@fhsu.edu).

[Barricades and Parking for Residential Life Move In](#)

This evening, the University Police Department will begin to barricade areas directly affected by the moving of students into the residence halls. These areas will remain barricaded until late Thursday afternoon when the move in has been completed. Tomorrow, the University Police Department will be contacting owners of vehicles that remain in the barricaded areas to have them move their vehicles.

The barricaded areas include Lot G behind McMIndes Hall, McMIndes Circle in front of McMIndes Hall, Lot F2 on the east side of McMIndes Circle, the circle drive in front of Custer Hall, the west side of Custer Drive between Dwight Drive and Agnew Lane, the east side of Lyman Drive between Dwight Drive and Agnew Lane, and multiple stalls on Dwight Drive around Hansen Hall.

Additionally, residents of Wiest Hall will gain access to that hall by entering Lot H2 on the west side of the Stadium Place Apartments, passing through the new parking lot and then around behind Wiest Hall. Vehicles parked in the area behind Wiest Hall will be asked to move their vehicles until move in is complete.

The Residential Life area of campus will be congested with traffic on Wednesday and Thursday as the students move in. Motorist are advised to avoid the area if possible. Motorist not moving in are asked to park on the academic side of campus, the Lewis Field Parking area or the GMC parking lot and walk or take the shuttle to the Residential Life area if needed. If you work in the Residential Life Area and arrive for work between 7:30 a.m. and 4:00 p.m., expect to park farther away than normal and walk or take the shuttle service.

The University Police Department wishes to express their thanks to the University community in this matter. We remind you that parking permits may be obtained online and picked up the following week or mailed through the campus mail system to avoid the traffic congestion in this area.
